* The list of elective courses proposed by the faculty staff (including their academic scope, type of classes, and assessment methods), as well as the rules for selecting them

(deadline, minimum and maximum group size), is established and announced to students by the dean no later than April 30 of the preceding academic year; elective courses are offered in the form of lectures

** The student chooses a specialization offered from the 2nd semester of studies from the following options: Conflict Management and Negotiations; International Marketing.

The rules for selecting a specialization (deadline, minimum and maximum number of students per specialization) are established and communicated to students by the dean no later than December 31 of the year preceding the year in which the specialization is launched.

*** The student selects a master's seminar and the unit within the Faculty of International and Political Studies in which they will complete their bachelor's thesis from among the units indicated by the dean.

The rules for selection (deadline, minimum and maximum number of participants in seminar groups) are established and communicated to students by the dean no later than May 30 of the year preceding the academic year.
