Annex No. 3 Final report
to the Competition for
scholarships for researchers from Ukraine

I. Information about the project

Application No.

Name of research unit/Faculty

Amount of the awarded scholarship

Date of the stay commencement at the University of Lodz

Date of the stay ending at the University of Lodz

II. Activities carried out at the University of Lodz

- Description of the activities that were carried out by the scholarship holder during their stay at the University of Lodz (*no more than 2 A4 pages*)

In addition to the factual description, the report should indicate, among others:

- the impact of the stay at the University of Lodz on the scholarship holder's further work and academic career,
- benefits for the University of Lodz resulting from the stay,
- the impact of the stay on the development of the scientific discipline,
- description of the prospects for further cooperation with the University of Lodz.

If there have been changes to the contract/application during the implementation of the previously planned activities, these should be described and justified.
