## Faculty of Law and Administration, Department of Labor Law

**Supervisor:** Assoc. Prof. Tomasz Duraj, Ph.D  
**Email:** tduraj@wpia.uni.lodz.pl  
**ORCID:** 0000-0003-1561-5916  
**Scientific Disciplines:** Legal Sciences, Labour Law

**Title and Description:**

The main objective of the Ph.D. seminar is to expand the students’ knowledge in the field of labour law and consolidate it at an in-depth, specialized level, as well as to prepare a Ph.D. dissertation in this field of law. As part of the classes, the students develop theoretical knowledge and practical skills for conducting scientific research in the field of labour law. The students independently formulate research problems, collect appropriate sources, select appropriate research methods and techniques, develop and present research results, draw conclusions and indicate the directions of further research in the field of labour law. After completing the seminar, the students are able to prepare both scientifically advanced written works, in the field of labour law, in Polish, as well as to prepare and deliver speeches presenting issues in the field of labour law. RESEARCH AREAS OF THE LABOUR LAW SEMINAR:

1. Individual labour law  
2. Collective labour law  
3. International and EU labour law  
4. Labour market law  
5. Links between labour law and other branches of law (in particular civil law, administrative law and criminal law)  
6. Atypical employment relations  
7. Civil law forms of employment  
8. Labour protection law  
9. Clerical law  
10. Employment law in local government  
11. Basics of executive employment  
12. Cooperative labour law
