

**Admission procedure for international students  
to full-time 1st, 2nd and long-cycle studies in English  
for the academic year 2025/2026**

**Hello! Study with us!**

If you come from abroad and you have a different nationality than Polish – you can find the most important information on how to apply and what documents you need to do in this guide.

A website [www.rekrutacja.uni.lodz.pl](http://www.rekrutacja.uni.lodz.pl) is **dedicated to people who can study in Poland under the same conditions as Polish citizens**. This means that full-time studies in Polish are free of charge, but a tuition fee applies to part-time studies or studies in English. The amount of the tuition fee is listed in the description of each programme.

If you have **Pole's Card (Karta Polaka)**, decision of **Polish origins**, a **permanent residence card** or **EU long-term residence**, national **certificate of Polish proficiency at C1 level**, you have been granted **refugee status or a subsidiary protection** in Poland, you are a **citizen of one of the European Union or EFTA countries** or a family member of a migrant worker living in Poland – you are on the right website. More details about study possibilities under those rules can be found in the Polish legal act *Law about higher education (article 323 and 324)*. If you are not sure if you have rights to study on the same terms as Polish citizens do – you can always contact International Relations Office (IRO: [admission@uni.lodz.pl](mailto:admission@uni.lodz.pl)).

The [gen. Anders scholarship](#) holders shall register in IRK system [www.rekrutacja.uni.lodz.pl](http://www.rekrutacja.uni.lodz.pl).

Candidates applying for studies as holders of [Stefan Banach scholarship](#), [Konstanty Kalinowski scholarship](#), **PESEL UKR** or other programmes or those who are exempted from tuition fees shall go to **another admission platform**: [www.admission.uni.lodz.pl](http://www.admission.uni.lodz.pl).

If you do not have documents from the list above – **you can study only on tuition fee basis**. Please go to: [another admission platform](#) for more information. The tuition fee for studies at the University of Lodz is about 1800-3000 EUR per year depending on the field of study.

## HOW TO START

Firstly, you **have to register** in our on-line application system (IRK). Please, be aware that your name and surname must be written as it is in your international passport. After that you have to **choose the study programme**. You have to **pay the recruitment fee in the amount of 85 PLN** per every programme you are applying for.

After you pay the recruitment fee and your school-leaving certificate is issued abroad you have to remember to finish your application by uploading documents – you can do this in the step no. 1.

Grades from the foreign secondary school (maturity) certificate are converted into “old” maturity scale grades and then into a percentage score. Results from high school leaving certificate/attestat/svidoctvo/other are recognized as the basic level and results obtained on the national examinations (CT/NMT/EGE/ENT/SAT/other) as the advanced level. Lack of results obtained in the national examinations does not disqualify the candidate, but gives points only at the basic level.

Documents that must be upload in the system:

1. school-leaving certificate, results of national exams / diploma with transcript of records;
2. polish translation of school-leaving certificate, results of national exams/ diploma with transcript of records;
3. recognition of educational documents obtained abroad by the competent institution - this is a separate procedure that must be completed before **submitting documents** for study (**the procedure is not required for documents from the EU, EEA, OECD, Ukraine, Libya and China** - only for high school certificates).
4. document which allows to study under same rules as Polish citizens (Pole's Card, confirmation of Polish origins, permanent residence card, document granting refugee status or temporary protection, EU national ID, other);
5. an English proficiency certificate at B2 level from the [list of certificates](#) acceptable by the UL.

Due to necessity of converting grades from your school certificates and national exams/diplomas we kindly ask to **upload documents as soon as possible** (latest until the last day of recruitment, until 12:00 CET). Please inform IRO that documents have been uploaded in system by message in the admission platform or e-mail.

The UL indicates and converts grades from high school leaving certificate and national exams/diploma obtained abroad. Recalculated grades are put in the IRK system. Please note that in order to apply for some programmes, grade from Polish language in high school certificate is required. In addition, a candidate is required to have subjects listed in category 1 and 2 on his/her school certificate.

### **I AM IN! – WHAT'S NEXT?**

If after recruitment process you can see in your account an information that you are **qualified** to study at UL you must **deliver the documents** listed below as soon as possible **to International Relations Office** (until the date written in recruitment schedule):

1. signed application form for appropriate programme printed out from the IRK online enrolment platform with sticked photo,
2. an original of the high school leaving certificate, national exams results issued by appropriate authorities / the Bachelor's degree diploma, stamped with an Apostille (or legalized in a Polish Embassy in its country of origin\*) translated into Polish language by sworn translator,
3. an original of the eligibility statement stating that certificate/diploma gives the right to study at the university level or continue education on Master's level in the country it was issued stamped by the Higher Education Authorities (not applicable for EU/EEA/OECD countries, Ukraine and China),
4. recognition of educational documents obtained abroad by the competent institution - this is a separate procedure that must be completed before submitting documents for study (**the procedure is not required for documents from the EU, EEA, OECD, Ukraine, Libya and China** - only for high school certificates),
5. a formal certificate of proficiency in English language at B2 level (from the UL's list),
6. a passport or ID (for viewing),
7. a copy of the document that entitles the applicant to study at the same rules as Polish citizen's (Pole's Card, permanent residence card, document confirming refugee status or temporary protection, EU national ID, other),
8. a valid proof of health insurance for basic medical treatment in Poland (for viewing),
9. a valid visa or a residence permit (Karta Pobytu), or any other document that entitles the applicant to stay legally in Poland (for viewing),
10. a filled statutory obligation and other declarations sent previously by e-mail,
11. referral of the Republic of Poland scholarship (applies to its holders).

Only after presenting the originals of the above mentioned documents, a candidate will officially become student of the University of Lodz. Please bear in mind that due to Polish law's requirement documents will have to be translated by a sworn translator into Polish after your arrival to Poland.
